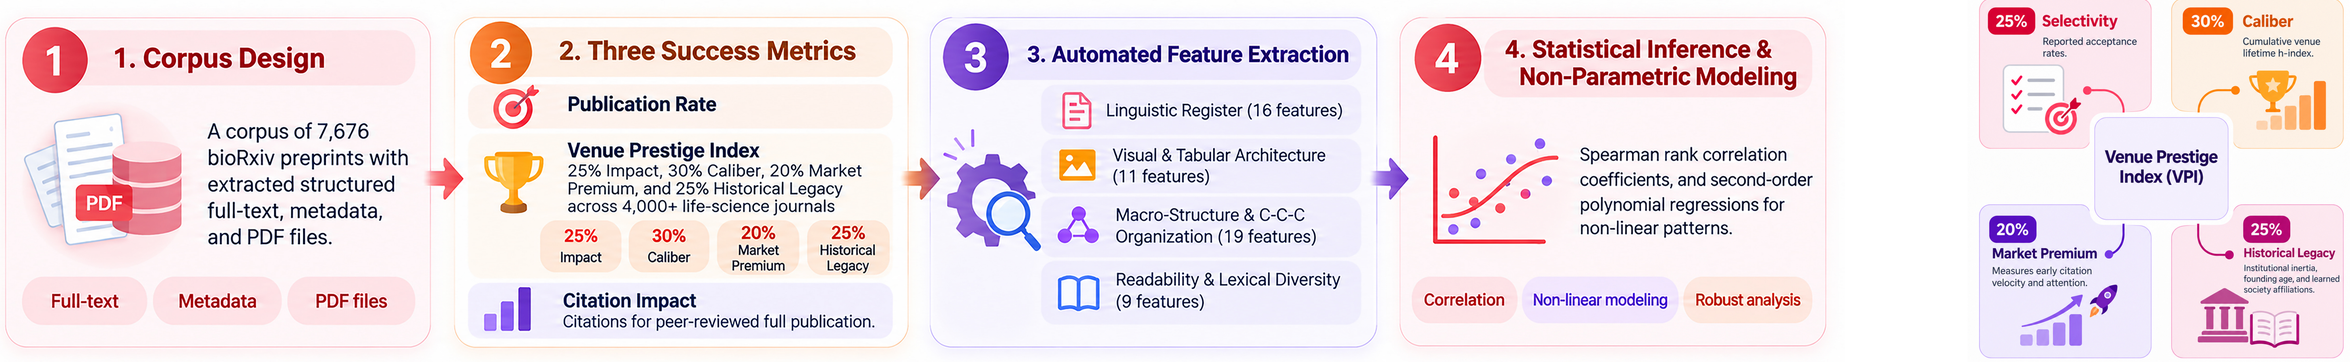
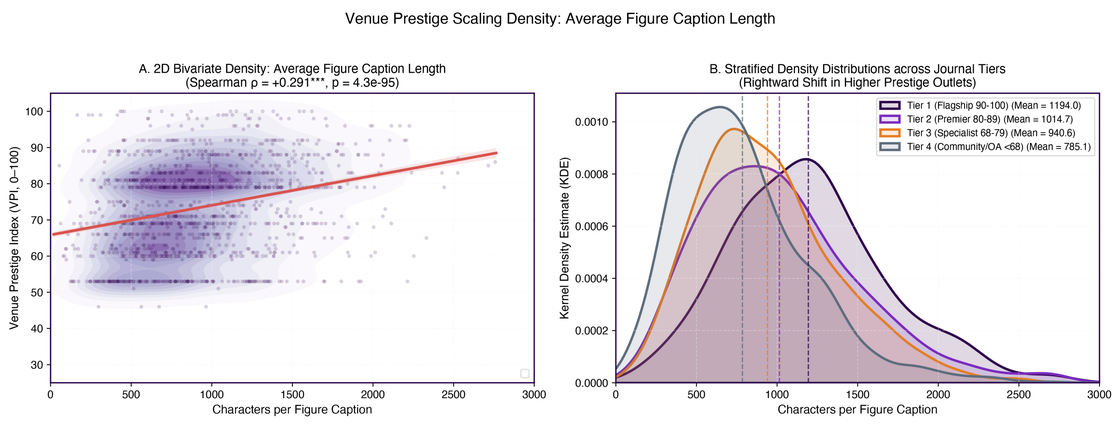
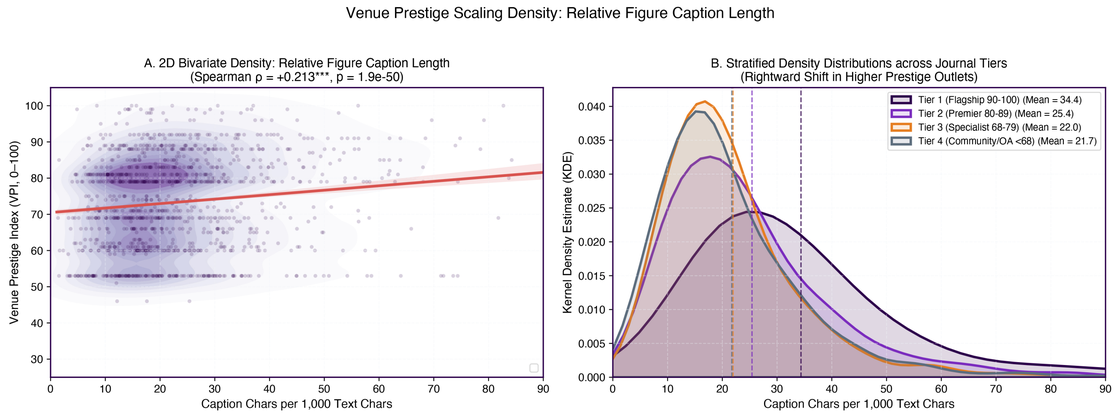
Revealing the Hidden Success Factors of Scientific Papers: Structural, Linguistic, and Multimodal Dynamics

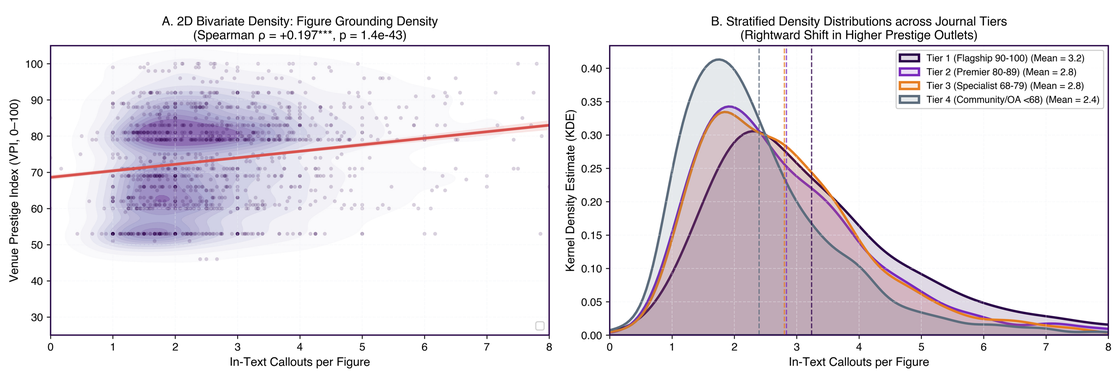
Fabian Haak, Philipp Schaer
TH Köln



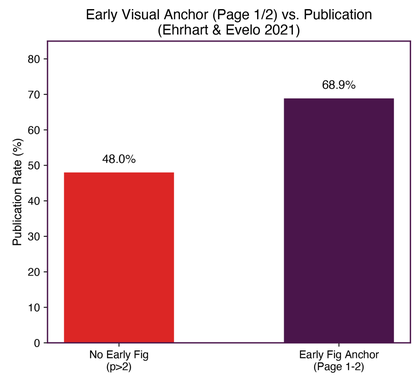
1 Use **figures**, and **describe** them well **in caption and in text**



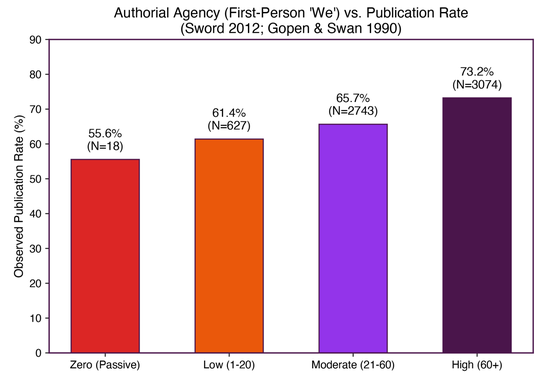




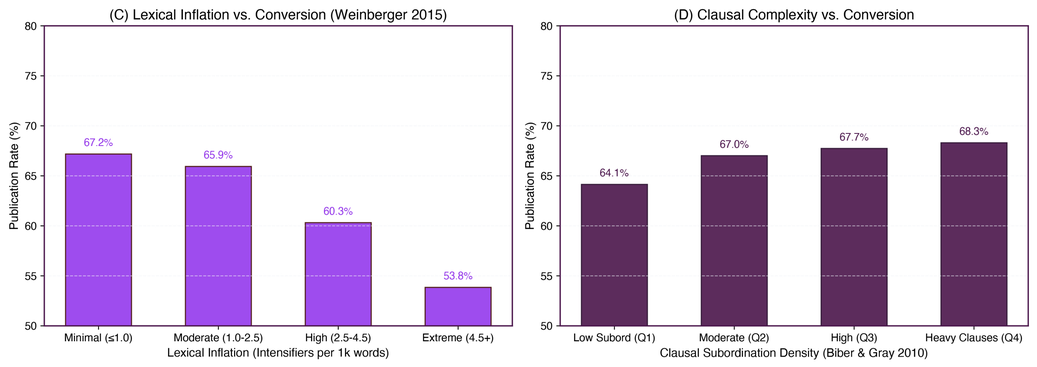
2 Place an **early visual** on page 1 or 2



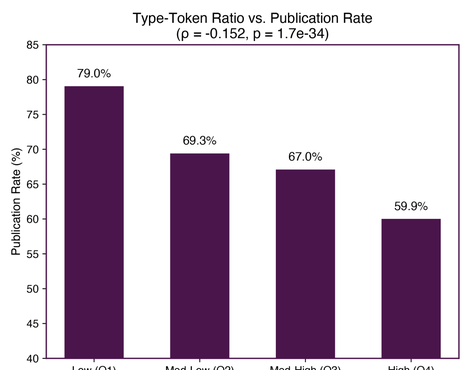
3 Use **first person** “we”, avoid **passive**



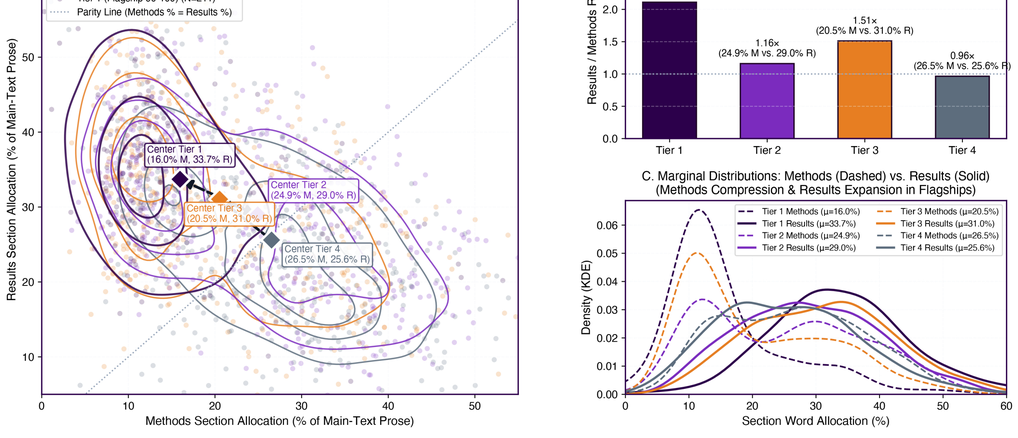
4 **Complex language** is ok



5 Avoid **intensifiers & synonyms**



6 Avoid **overly detailed method sections**, focus on **results**



... Surprisingly **insignificant.**
